JENNY CRAIG PAVILION

Welcome to the Jenny Craig Pavilion at the University of San Diego. This multi-million dollar complex contains a multi-functional arena with state-of-the-art sound, lighting and concert quality acoustics. The University of San Diego is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is just 10 minutes from San Diego International Airport and Downtown.

At the Jenny Craig Pavilion, flexibility is the key to hosting a successful event. With the use of retractable seating, protective floor covering and dimmable lighting nearly any event is possible. An intimate meeting, a trade show or even a concert with 5,500 fans, every event receives the highest quality of professional service the Jenny Craig Pavilion has to offer.

First class amenities include three locker rooms, two dressing rooms, production office space, a trainer's room, green room and a hospitality suite with an adjacent kitchen. One Centralized Main Entrance to the arena provides easy access for patrons to enjoy all that the Jenny Craig Pavilion has to offer.

The Jenny Craig Pavilion is ideally suited for sports events, tradeshow, and concerts. In November, 2000, we opened the pavilion with The Wallflowers and Everlast. The Pavilion has had

the pleasure of hosting corporate events for Union Bank and the San Diego Union Tribune. The Jenny Craig Pavilion has been the site of many impressive sporting events including: The 2001, 2002, and 2003 West Coast Conference Basketball Championships, the annual Kiwanis Basketball Tournament, the Darrell Russell Celebrity Charity Basketball game, the 2003 NFL Celebrity Basketball Game, the Official Super Bowl XXXVII Luncheon, and the 2004 Judo National Championships.
