**Coach Joe Peron Comments:** "We played very hard. We came out in the second half having made adjustments. I was proud of my players for making the adjustments we made. We wanted to make it hard for Parish to get the ball and when she did to put pressure on her. There is just no way to stop a player of that caliber for a whole game. Playing Pasadena will be a tough game, but it shows just how tough our conference is when two teams have made it to the state final."
